From the Educational Foundation Executive Director

Dear Friends,

A single parent struggling to make ends meet seeks a better life. A family's lone breadwinner is stuck in a job but can't quit until new job skills are aquired. A recent high school graduate wants to take advantage of gaining marketable career skills leading to a great job or starting down the pathway toward their four-year degree. The displaced immigrant seeking the American dream may not know where to start, let alone how to pay for college.

Can you relate to any of these scenarios? These stories, and some very similar, are told almost daily at Southeast Community College. The mission of the SCC Educational Foundation is to support the vitality and growth of SCC to benefit the students, staff and communities it serves through the development and wise use of financial resources. We want to ensure that SCC students have the opportunity to succeed.

More than 80 percent of SCC's enrolled students need some form of financial assistance to pursue their higher education goals. The need is real, and with donors like you, more students will be able to thrive and make positive changes within their communities. SCC is one of the most affordable institutions of higher education in Nebraska. It doesn't mean that everyone who wants to attend SCC has the financial ability to do so.

Scholarship support has become an increasingly important source of tuition assistance for our students. While grants and loans serve a purpose, scholarships instill in our students a tremendous sense of pride and accomplishment that can lead to great things. Your support is the difference maker for many of our SCC students.

On behalf of the entire Foundation Board, thank you for your interest and commitment to the SCC Educational Foundation and SCC. Together we are changing the future for our students.

From the SCC President

On behalf of the Southeast Community College Board of Governors, administration, faculty, and staff, I want to thank the Southeast Community College Educational Foundation and all of its generous and thoughtful contributors. SCC is committed to its mission of providing accessible, dynamic and responsive pathways to career and technical, academic transfer and continuing education programs. SCC seeks to create futures through inquiry, knowledge and application. The SCC Educational Foundation plays a critical role in supporting this mission. This past year the Foundation awarded more than 3,000 scholarships totaling more than \$1.6 million.

Over the past 10 years, SCC has graduated more than 16,000 students in a wide array of career/technical programs in health sciences, manufacturing, business, construction, arts, sciences, agriculture, hospitality, food services, communications, and many other critical industries. Although open access to SCC's programs is vital, program completion is one of the primary measures of student success. The SCC Educational Foundation has helped thousands of students earn their certifications and/or degrees.

I am very thankful for the contributors and supporters of the SCC Educational Foundation. Your commitment to SCC is truly a gift to not only our students but to the entire 15-county community we serve. Thank you for your generosity, commitment and thoughtfulness.

Paul Illich, President

Ways to invest

Cash Gift or Pledge

The most popular way to give is an immediate cash gift or a pledge paid over time.

Endowments

A perpetual resource because the principle remains intact, and investment income is used to provide financial awards to students. A new endowment in your name or someone else's requires a minimum gift of \$5,000.

Bequests by Will or Living Trust Distribution

Donors may specify a gift of cash, stocks, bonds, real estate, or personal property or give a percentage of their estate or the residual of the estate after gift bequests to family members.

Retirement Savings or Insurance Beneficiary

To name the Foundation as one of the beneficiaries of retirement funds, the donor should make arrangements through the retirement fund's administrator. Other ways to give include naming the Foundation a beneficiary of an insurance policy, assigning annual dividends, or donating a paid-up policy.

Real Estate

Gifts of real estate, whether private, commercial or agricultural, may be given to the Foundation.

Stocks, Bonds, Securities

Appreciated assets held for more than one year may be transferred to the Foundation and deducted at fair market value, up to 30 percent of your adjusted gross income, without incurring a capital gains tax.

Equipment and Other Property

The Foundation can accept equipment or other personal property that may be used by the College or may be easily converted to a liquid asset.

Matching Gifts

Some employers match charitable donations given by their employees to qualified nonprofit organizations like the Foundation.

Charitable Gift Annuities

A donor can transfer gifts of cash, real estate, or appreciated securities worth \$10,000 or more to the Foundation to fund an annuity agreement leading to lifetime income.

Charitable Remainder Unitrusts

With a gift of \$50,000 or more, donors can establish a trust, ensure a lifetime income for themselves, and support SCC! As the value of the trust increases, so does the donor income.

Charitable Lead Trusts

The Charitable Lead Trust allows a donor to establish a trust for a specific length of time, assign interest income to the Foundation, and later reclaim the asset for the donor or the beneficiary.

Commodities Gift Program

This is for producers who wish to gift a quantity of produce such as corn, beans, wheat, etc. to the Foundation.

“ I am honored to have received a scholarship. Thank you for your generosity and your support of the students at Southeast Community College. I wanted to have a hands-on learning experience, which is what Southeast is all about. I'm proud to say that I'm a third-generation student here at SCC Milford. I look forward to continuing my education and starting my professional career. Thank you again for providing me with this amazing scholarship.

“ I am grateful for your generosity. By providing scholarships to students of Southeast Community College, you make it much easier to obtain an education. Your generosity has lightened my financial burden, which allows me to focus on learning. I cannot thank you enough for helping me obtain a post-secondary education. –Griffin Bates ”

“ I am extremely grateful for your generosity to benefit my educational goals. You have not only given me a wonderful gift, but also given me encouragement and motivation to do my best and to prove I am worthy of your consideration. Being the youngest and the first in my family of five to attend college has led to financial and academic challenges. I had put my education on hold to raise my daughter and give her my time and attention. Now is the time that I have decided to continue pursuing my educational and professional goals to further benefit my life, my daughter's life, and society as a whole. With your wonderful gesture, I am one step closer to fulfilling my goals and making her proud of me. For that I couldn't be more grateful. Thank you again for your confidence and willingness to help me achieve my dreams. –Yecenia Urrutia ”

“ I have faced many obstacles since I started my education. Having returned to school, I chose Human Services so that I will be able to help people better their lives. This scholarship is a huge step in making it through and gaining knowledge and skills. Thank you so much for the opportunity. –Misty Wass ”
