## *Commencement Speaker*

### Senator George Dungan

George Dungan was born and raised in Lincoln, Nebraska. He was inspired to attend college and later law school by his mother, whom he credits for his passion for justice and equality.

George holds a Juris Doctorate from American University, where he served in the Domestic Violence Legal Clinic representing the interests of people escaping violence, especially women and children. He currently serves the people of Lancaster County as a public defender.

He also has experience with state and local government, serving as a Nebraska State Senator for District 26, on the Lincoln Pedestrian Bicycle Advisory Committee, and on the Board of Trustees of the Lincoln Bar Association. He was inducted into the Teammates Hall of Fame for his work mentoring youth.

George Dungan lives in Northeast Lincoln with his partner, Britta Tollefsrud, and their dog Redford.

## *National Anthem*

### Jadyn Dodd

Jadyn is currently enrolled in the Southeast Nebraska Career Academy Partnership (SENCAP) through Pius X High School in Lincoln, where he is a senior. He first started performing as a freshman and is now in his fourth year as a member of AcaFellas, Spectrum Varsity Show Choir and Pius Players. He has been a Spectrum dance captain for two years and is the elected Vice President for Pius Players, focusing on cast affairs. He is a section leader in AcaFellas, the varsity men's a capella group at Pius, and is also part of a barbershop quartet "What Now?" with some of his closest friends. In school, some of his biggest accomplishments have been keeping his 4.0 grade-point average and taking PACE (Physics and Applied Calculus for Engineers), and loves all things Science Technology Engineering and Math (STEM). In his future, Jadyn plans to pursue a Bachelor of Fine Arts in Musical Theatre or go into Architecture.

# *A Letter from the President*

## Dr. Paul Illich

Dear Graduate,

Southeast Community College is committed to its mission of providing dynamic and responsive pathways to career and technical, academic transfer, and continuing education programs. SCC seeks to empower and transform the diverse learners and communities of southeast Nebraska. I congratulate you on successfully completing all requirements for graduation. One of our goals at SCC is to promote resiliency among our students by encouraging them to embrace the complexities and challenges associated with learning new and difficult concepts and skills. You have accomplished this goal of resiliency through diligent effort, commitment and personal integrity.

You began your journey at SCC as a student and will leave as an accomplished graduate prepared for employment in the workforce and/or transfer to a four-year college or university. This transformation could not have occurred without the tireless support of friends and family. The dedication and commitment of SCC's faculty and staff also played a key role in the accomplishments we celebrate this evening. Your graduation from SCC is a powerful acknowledgement of their ongoing support.

SCC strives to be a national leader in developing high-contact technical and academic experiences through personal and authentic relationships with engaged and invested faculty, staff, and administrators. We believe these relationships are life-long, and we encourage you to continue to connect with the College throughout your life journey.

Congratulations on your transformational decision to enroll in an SCC program. You have created the foundation for a new future for yourself. I encourage you to continue to make positive transformational decisions and to view success and adversity as an opportunity for learning and personal growth.

A handwritten signature in black ink that reads "Paul Illich". The signature is written in a cursive style with a large, stylized "I" at the end.

# *The Academic Processional and Regalia*

*The academic processional that officially preludes the Commencement ceremonies on college and university campuses is one of the oldest and most colorful customs that link 21st century education with its early origins.*

To signal the achievements of their students, American institutions of higher learning conduct a formal ceremony to award the appropriate degrees earned at the conclusion of prescribed study. The action of taking the degree — associate's, baccalaureate, master's or doctorate, as well as the designation of the day itself — is Commencement.

As cited in *Academic Heraldry in America* (Sheard, 1962), the academic regalia worn at Commencement is of medieval origin. Since the 11th century, when the rise of universities began, "learned clerks" robed themselves in gowns, caps and hoods, thus marking a difference between "town and gown." By this apparel they were recognized as belonging to the teaching guild, which was the Guild of the Master of Arts. In this organization, the bachelor was the apprentice of the master. This relationship was the forerunner of today's academic structure.

In the United States, professors continue to wear the gown and hood of the university from which they received their highest degree. The gown, in origin, may have been simply a type of overcoat to protect the teacher from the cold in unheated buildings; the cut or style seems to be derived from ecclesiastical attire. It has usually been black; however, in recent years some institutions have adopted a school color for their gowns. The gowns of bachelors and masters are usually without trimmings of any sort, whereas those of doctors are faced down the front with velvet and adorned with three velvet bars on the sleeves. The cap or "mortarboard" may have come from the squarish cap worn by the masons of the Middle Ages, or perhaps was suggested by the shape of the books that occupied so much of the scholar's time. Attached to a button atop the "mortarboard" is a tassel; bachelor's and master's tassels are black or color appropriate to the subject; doctors' tassels are black or golden. The tassel is worn on the left side by individuals receiving or have received a degree.

The hood, a triangular fold of cloth worn over the back of the gown, is faced with colors which denote the field of study represented by the wearer's degree; the colors of the lining are those of the college or university that granted the degree. The length of the hood is correspondingly longer with each higher degree. The wide velvet borders extending down the front of the doctoral gown, the velvet bars on the sleeves and the borders of most hoods, are colored according to the scholarly field of the wearer.

Southeast Community College is a two-year institution of higher education governed by an 11-member Board of Governors elected from the College's 15-county service area in southeast Nebraska.

The College has campuses in Beatrice, Lincoln and Milford, as well as Learning Centers in Falls City, Hebron, Nebraska City, Plattsmouth, Wahoo, and York. SCC serves nearly 10,000 credit students through 80 Programs of Study, including transfer and career/technical. Most can be completed in two years or less. The College also serves nearly 20,000 non-credit students enrolled in Continuing Education classes on the campuses and in communities throughout southeast Nebraska. Ninety-three percent of the students who graduated in 2022 found employment or continued their education.

SCC began operating in Lincoln in 1973 in various locations throughout the city. In 1979, the first building on the current Lincoln Campus at 8800 O St. was built. SCC obtained the Beatrice Campus, where the college's 10 intercollegiate athletic programs reside, in the early 1970s. The Milford Campus, which originated in 1941 as Nebraska Technical College, also became part of SCC in the early 1970s.
